

Movie Night Remote-Button Coasters

Free crochet pattern by CloudStream · <https://cloudstream.pro/crochet/>

Four quick coasters that look like the buttons on your remote — Play, Pause, Stop and Rewind. 20 × 20 stitches each, perfect for using up cotton scraps before a movie night.

Graph 4 charts, 20 × 20 stitches each

Size about 10–11 cm (4–4.5 in) per coaster in DK cotton

Colours 4 (Royal blue, Lime green, Navy, Cream)

Skill Easy (one colour change per symbol)

Hook 4 mm (US G-6)

Colour	Stitches
 Royal blue	394
 Lime green	406
 Navy	396
 Cream	404

Materials

- DK cotton yarn (absorbent and washable) in Royal blue, Lime green, Navy and Cream
- 4 mm (US G-6) crochet hook
- Tapestry needle and scissors

How to read the chart

- Each square of the chart is one stitch. Row 1 is the bottom row of the chart.
- Odd rows (right side, RS) are read from right to left; even rows (wrong side, WS) from left to right. Row numbers sit on the side where each row starts.
- To change colour, work the stitch before the change until 2 loops are left on the hook, then finish it with the new colour.
- Carry the colour you are not using along the top of the row below and crochet over it, so it is hidden inside the stitches. For big blocks of one colour you can drop it and pick it up on the next row instead.
- Left-handed? Read odd rows from left to right and even rows from right to left — the picture comes out the same way round.

Instructions

Foundation: with the background colour, ch 21.

Row 1 (RS): sc in the 2nd ch from the hook and in each ch across, following row 1 of the chart — 20 sc.

Rows 2–20: ch 1, turn, sc in each st across, following the chart row by row (odd rows right to left, even rows left to right). Fasten off after the last row.

Finishing

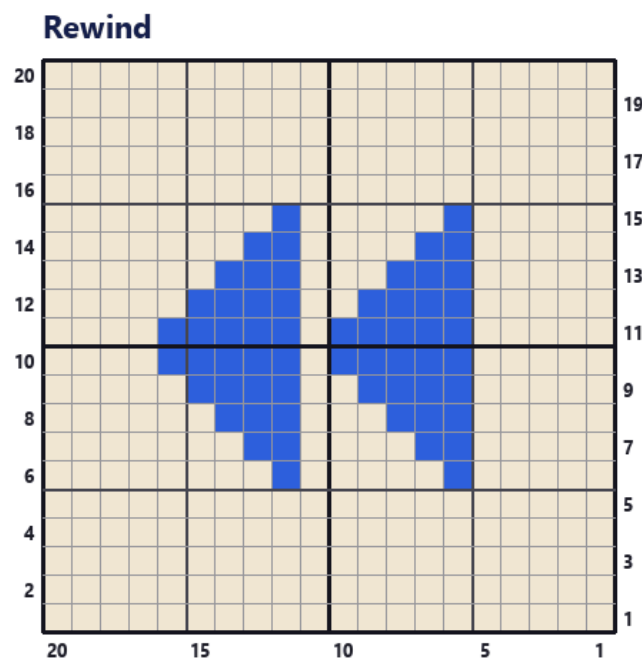

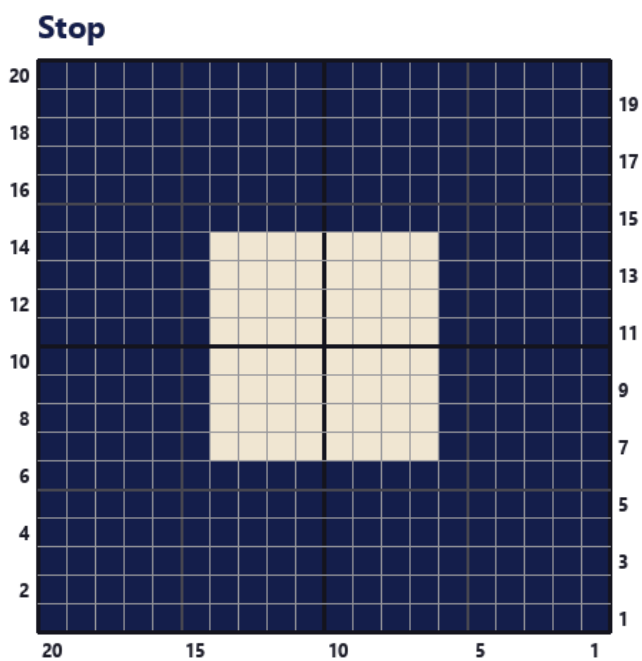

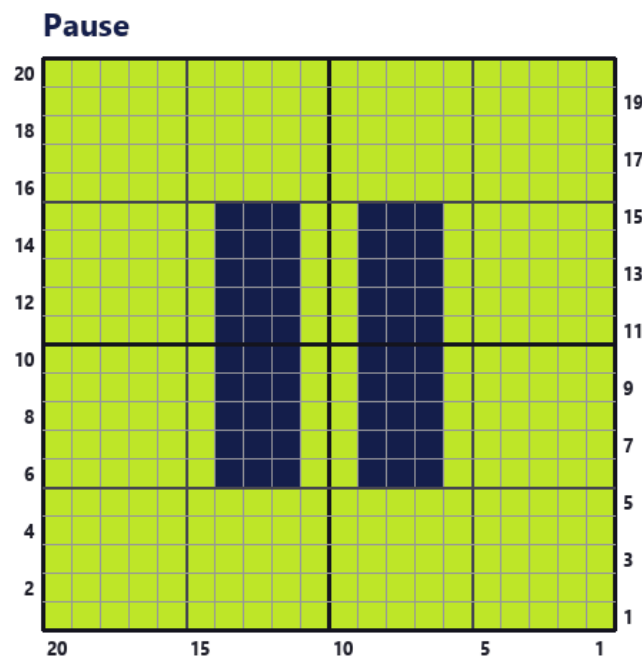

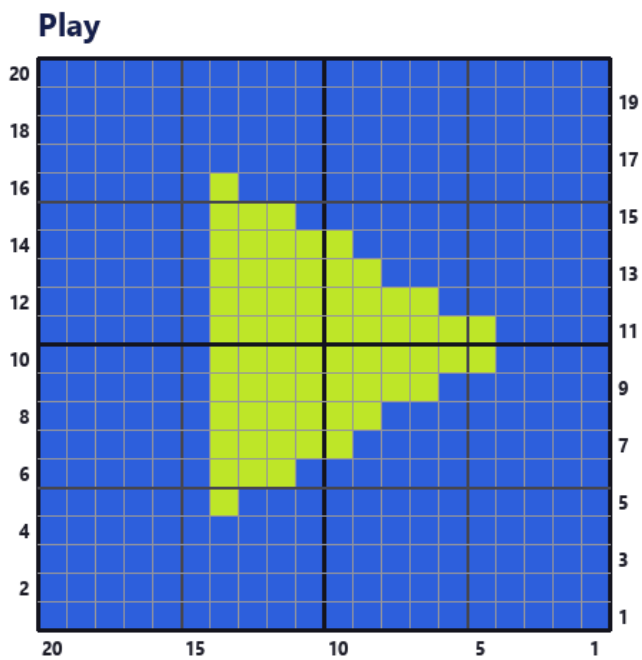

- Weave in the ends on the wrong side and press the coaster flat (cotton can take a warm iron with a cloth).
- Optional border: 1 round of sc in the background colour with 3 sc in each corner (adds about 1 cm).

US crochet terms: ch = chain, sc = single crochet (UK double crochet), st = stitch, RS/WS = right/wrong side. The photos are digital previews of the finished pieces, made from the charts. The preview shows waistcoat (centre single crochet) stitches for the knit-like V look — regular sc works with the same chart and is easier when working back and forth.
