Materials

- DK yarn — mostly Charcoal and Cream, small amounts of the button colours
- 4 mm (US G-6) crochet hook
- Tapestry needle and scissors

How to read the chart

- Each square of the chart is one stitch. Row 1 is the bottom row of the chart.
- Odd rows (right side, RS) are read from right to left; even rows (wrong side, WS) from left to right. Row numbers sit on the side where each row starts.
- To change colour, work the stitch before the change until 2 loops are left on the hook, then finish it with the new colour.
- Carry the colour you are not using along the top of the row below and crochet over it, so it is hidden inside the stitches. For big blocks of one colour you can drop it and pick it up on the next row instead.
- Left-handed? Read odd rows from left to right and even rows from right to left — the picture comes out the same way round.

Instructions

Foundation: with Cream, ch 25.

Row 1 (RS): sc in the 2nd ch from the hook and in each ch across, following row 1 of the chart — 24 sc.

Rows 2–48: ch 1, turn, sc in each st across, following the chart row by row (odd rows right to left, even rows left to right). Fasten off after the last row.

Finishing

- Weave in all ends on the wrong side and block flat.
- Remote pocket: crochet a plain back panel (ch 25, 48 rows of sc). Hold both panels wrong sides together and sc through both layers around the sides and bottom, leaving the top open.
- To hang it over the sofa arm, sew a strip (about 10 sts wide and 30 cm long) to the top of the back panel.

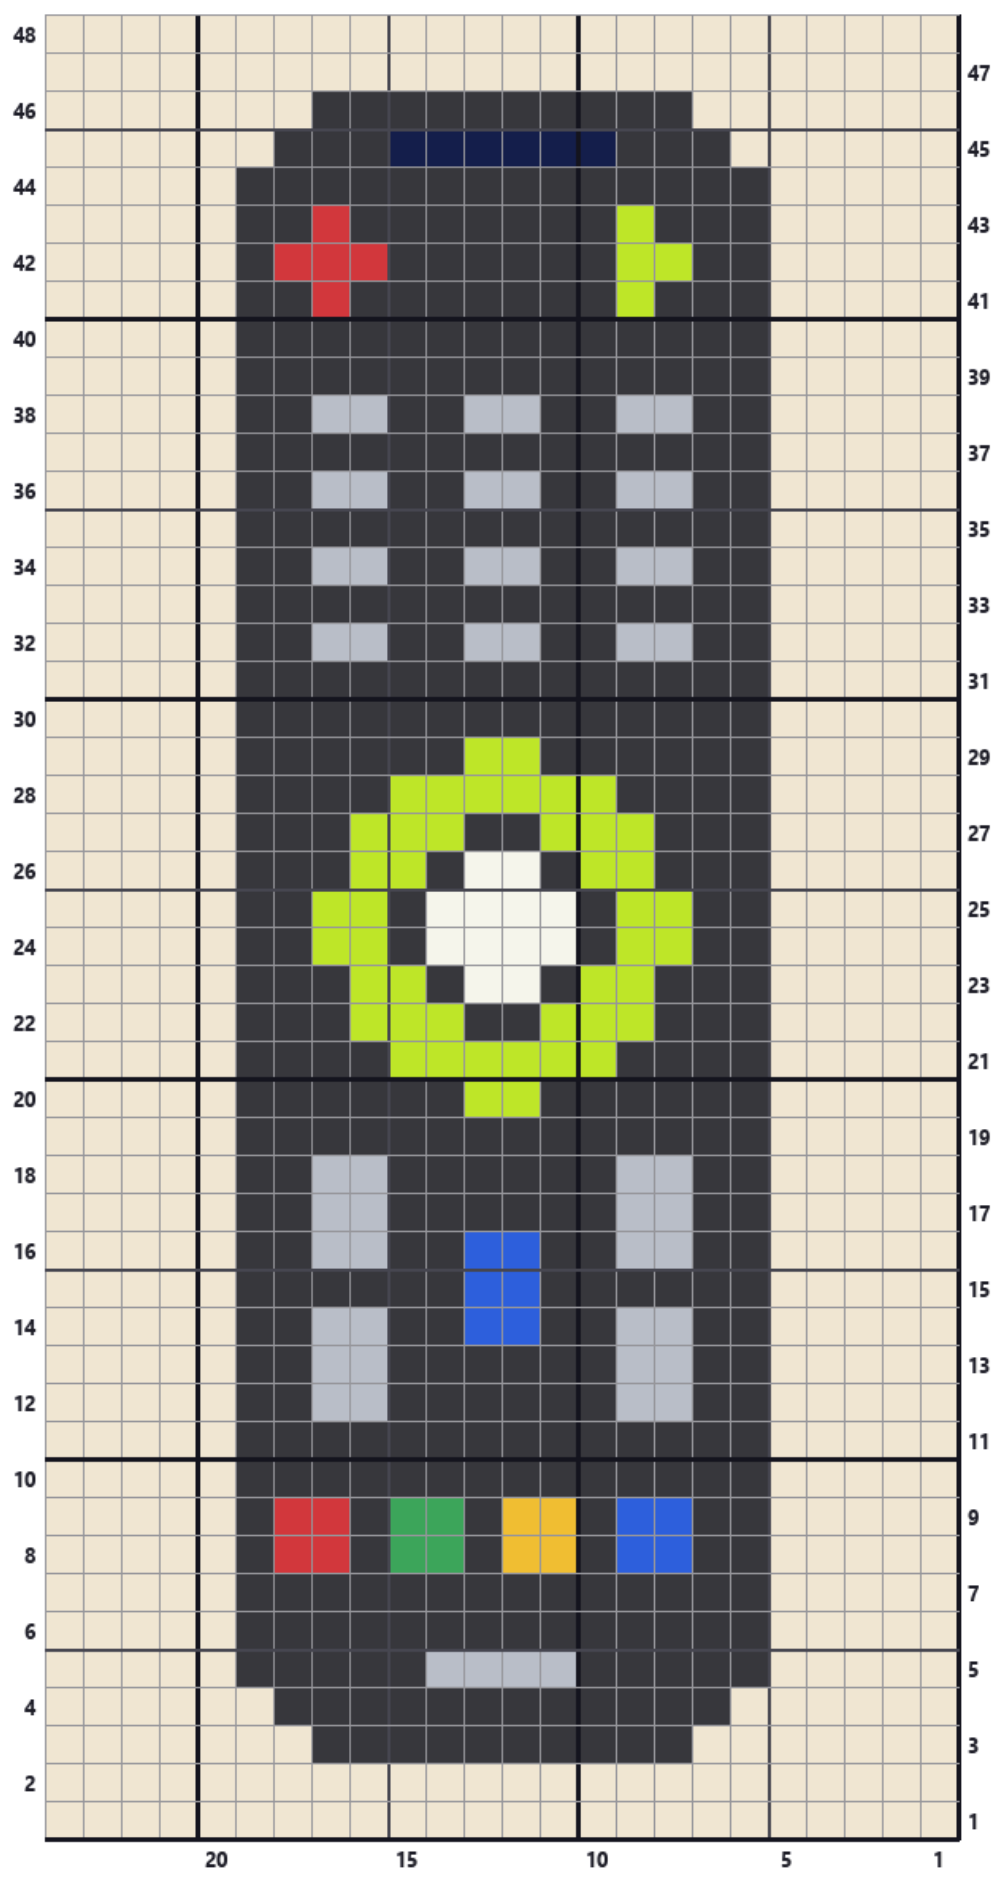

C2C option. In C2C (worsted yarn, 5 mm hook) the remote becomes a throw of roughly 60 × 120 cm (24 × 48 in).

US crochet terms: ch = chain, sc = single crochet (UK double crochet), st = stitch, RS/WS = right/wrong side. The photos are digital previews of the finished pieces, made from the charts. The preview shows waistcoat (centre single crochet) stitches for the knit-like V look — regular sc works with the same chart and is easier when working back and forth.
